Hi Muh. Ashan,

We hope this message finds you well.

Thank you for your interest in joining Susi Air and for participating in our selection process. We are pleased to inform you that you have successfully passed the administrative stage. Please accept our sincere congratulations.

The next stage of the recruitment process is the technical test. Please find attached the brief for the Full Stack Developer position, along with the mock data files, as part of the recruitment process.

Key points:
• Nuxt JS, Pinia, and Nest JS
• Use the Susi Air logo and brand reference from susiair.com / @susiairofficial (Instagram)
• Submit (GitHub repo + live deployment URL) before Sunday, 1 Nov 2026 00:00

Attachments:
• mock-flight-hours.json
• mock-documents.json
• mock-schedules.json

**You can find the technical brief on your submission page*

Should you require any further information, please do not hesitate to contact us.

Submit your test before Sunday, 1 Nov 2026 00:00 (WIB). Sign in with your email and passcode:

Submit My Test

Dear Susi Air Recruitment Team,

Thank you for inviting me to the next stage of the recruitment process.

I attempted to access the submission portal as instructed; however, the link appears to be returning an error. Could you please confirm if there are any technical issues or maintenance currently affecting the site?

Thank you for your assistance.

Sincerely,

Muh. Syafa'at Ashan
